

T-handle hex wrench

196HX

Cechy produktu

- materiał: stal węglowa premium plus
- surface finish: zinc plated according to ISO 2081:2018 (E)
- HX profile is induction hardened
- The color code of the wrench dimension is located on the T-handle.
- The wrench is also characterized by its low weight and excellent working balance. The length of T-wrench ensures accessibility to places that cannot be reached with

conventional wrenches. The color-coded dimension marking ensures easy and quick identification and selection of the right dimension for your job.
