

Държач за ключове с Т-образна дръжка

h.3002.T.WRE

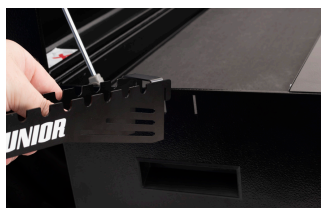

Параметри на продукта

- In addition to an easy installation on portable toolbox, the T-handle holder offers you a clear way to sort the T-handles. It can be positioned either to the left or right of the toolbox, so you not only have your T-handles set stacked according to size, but also always close to your hands when you need them.
- usable with tool box 3800
- easy hanging on the tool box (left and right)
- 8 T-wrench storage places
- quick and easy access to T-wrenches
